

**MEDIA GARDENS**  
**NUESTRAS ONDAS**  
**LA ENCRUCIJADA**

#### **JOB OPPORTUNITY:**

Do you have a passion for storytelling or collaborating in creative projects? Do you have musical or audio skills? Are you media savvy, a news geek, a cool community radio listener or an avid podcast enthusiast? Are you a good listener, patient, and able to guide others? Do you have experience working with youth?

*¡Entonces, te queremos en nuestro equipo!*

The KGNU Media Gardens project seeks a **contract media educator/trainer** to co-facilitate radio and podcasting production workshops for the Fall 2018 season (August-December, 6-10 hrs/wk). As a Media Gardens media educator/trainer you will provide overall program support, including curriculum development, co-facilitating sessions, and audio production and editing support.

KGNU's Boulder County **Media Gardens - Nuestras Ondas, La Encrucijada** is a project designed to engage bilingual Boulder County youth through the exploration of media, music, and culture in the digital and analog frontiers. Through this initiative, youth learn to go beyond consumerism of media, acquiring the skills to become producers and the seeds to grow their voices to help us thrive as a community. The Media Gardens educator will guide youth so they learn to script, produce, record edit and broadcast compelling stories that artistically reflect their cultures and realities, while acquiring crucial media literacy skills.

#### **Responsibilities**

- Complete an initial Media Garden's curriculum and facilitation workshop
- Co-develop and/or adapt Media Gardens curriculum to suit specific group needs
- Prepare workshop materials (worksheets, slideshows, audiovisual materials, etc.)
- Co-facilitate audio & podcasting workshops
- Coordinate with youth co-facilitator
- Guide and support youth participants throughout the program and the full production cycle
- Ensure that productions and supporting materials are ready for broadcast
- Attend project planning and coordination meetings
- Support evaluation and final report preparation

#### **Qualifications**

- Excellent facilitation skills

- Knowledge of popular education or grassroots education methods
- Strong team player and a drive for respectful collaboration
- Strong time management skills
- Experience working with bilingual, spanglish, and Spanish speakers
- Knowledge of multi-track audio editing software (Audacity and/or Audition) or willingness to learn
- Passionate about issues related to media justice, community engagement, and social justice
- Knowledge of design software (Photoshop, illustrator, in-design, etc.) a plus

### **Compensation**

This is a contract position with competitive hourly rates. KGNU is an equal opportunity employer. We encourage people of color, women, transgender and gender nonconforming people, and people with disabilities to apply.
